

FROM PRISON TO EMPLOYMENT
A THREE STEP PATHWAY

“All I really want is the chance to start again with a Clean Sheet...” *Dave, Former Prisoner*

Clean Sheet is a Christian charity – empowering local churches and employers to support prisoners and ex-offenders into the world of work by offering a unique 3 Step Pathway from prison to employment.

1

WAYS TO WORK®

We train and support Church-based volunteers, to lead our employability session **Ways to Work®** for groups of male and female prisoners.

- ✓ recognising **achievement**
- ✓ encouraging realistic **aspiration**
- ✓ kindling **hope** for a different and better future

2

MEMBERSHIP MODULE

After release from prison, ex-offenders will be welcome at their local **Job Club**, run by one of our partners, to complete the Clean Sheet **membership module**, gaining access to the Employers Directory.

3

EMPLOYERS' DIRECTORY

The **Clean Sheet Employers Directory** registers organisations which look beyond the stereotype and actively consider applications from people with convictions for work, training or volunteering opportunities. Clean Sheet also appoints **Employer Ambassadors** in partner churches, to identify and support local Clean Sheet employers.

An ex offender who finds work is up to 50% less likely to reoffend

We rely on our supporters' generosity to progress this work. Your donation will make a huge difference. Please visit the donation page on our website
