# What is Clean Sheet?

Clean Sheet is an independent, registered charity with one simple purpose - to offer people with convictions the hope of a better future by finding real, permanent employment.

## What do you do?

We help people with convictions find work.

## How do you do that?

We have a Directory of over 144 Clean Sheet Employers with more than 15,000 business centres, branches, sites and offices nationwide.

## What is a Clean Sheet Employer?

An organisation that believes everyone deserves the opportunity to start again with a Clean Sheet. They put this belief into practice by registering as a Clean Sheet Employer. Employers actively consider Clean Sheet Members for employment within the law, the terms of the individual's licence, and their own recruitment policy.

## How can someone access the Directory?

Any ex-offender who is a Clean Sheet Member can access the Directory online.

## What is a Clean Sheet Member?

A prisoner or ex-offender completes our Membership Module, so we can check that they're work-ready. We send out their Membership details with Login ID for the Employers Directory and our Helpline number, so our team can start to work with the new member as soon as they make contact.

## Can they join after prison?

Yes. There's a link on our website to the online version of the Membership Module.

## How do you support Clean Sheet Members?

With constant access to our Helpline, our Members and Employers Teams offer as much support as a member needs for as long as they need it. We source jobs, discuss skills sets, talk to potential employers and generally make the jobseeking process as simple as possible. There is no charge for this service; though honest feedback helps us to continually improve the service we offer.

**Employment means an individual is between a third and a half less likely to reoffend.**

**38 prison and community-based partners.**

**The annual overall cost of a prison place is £38,042.**

**Based on this cost, Clean Sheet has saved HM Treasury £7,608,400.**

**So far in 2018, we've supported over 200 Members into employment.**
